

Parish Verification Form

TO: ST. BRIDGET CATHOLIC SCHOOL

FROM: _____
Parish Name

DATE: _____

We have found the _____, family to be registered and contributing* members of our parish community.

As per the Policies on School Finance which was promulgated on September 8, 2008, we understand that:

Parents who support their parish pay the parishioner rate set by the school. The parish with no school pays the host parish the difference between the actual cost of instruction and the parishioner tuition rate. The pastor of the host parish is responsible for billing the pastors of students from outside the host parish for this payment.

* A contributing member of a parish community contributes in three ways;

Spiritually through your regular participation in the weekend liturgies, thereby teaching your children the same spiritual values which are taught at St. Bridget Catholic School.

Physically through your active participation in the ministerial life of your parish.

Financially through your regular support of your parish.

Sincerely,
